Form 10-K for Fiscal Year Ended December 31, 2023

Management's Discussion and Analysis of Financial Condition and Results of Operations, page 59

1. We note, on page 98, you indicate that you review properties for impairment and total sales per square foot can impact this assessment. Further, we note on page 60 you disclose that you consider net operating income to be a key operating measure. Please tell us if management considers comparable property NOI and sales per square foot to be key operating measures. If so, please include this disclosure in future Exchange Act periodic reports and tell us how you intend to present it. With respect to sales per square foot please address, as appropriate, the impact inflation has had on this metric.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
